WELCOME New Members

Lynn Baglyos

Lynn has been on the island full time since the end of July. She lives in Windmill Harbor. Lynn has lived in Bethlehem, PA all of her life, and worked as a nurse in clinical research at a major vaccine company. Through that work, she has traveled quite a bit and looks forward to more travel now that she has leisure time. She is a life-long Lutheran and enjoys being part of a community of faith in order to help others. She is looking forward to

Pastor Emil

Pastor's thoughts....

We have a very encouraging report from the Finance Team concerning estimates of giving as part of our annual stewardship effort. We have had 79 cards turned in, which is a slight increase over last year, and the giving estimates from the cards shows a substantial increase. This has allowed the Team to do a detailed estimate of total annual giving, as compared to our financial obligations, and they are quite confident that they will be able to present a balanced budget for FY 19 for approval by the congregation.

Certainly, we can celebrate this from a business perspective, but more importantly, it shows a stronger, clearer theological and faith based response. I want to believe that we are seeing that our ministries and our outreach are making a difference for those served, as well as for those serving.

The challenge going forward into the new year will be for all of us to be faithful in fulfilling our estimated giving. We should give God praise for this indicator of the state of our congregation and its commitment to mission. We also owe a word of thanks to Wayne Sebulsky and the A&F Team for all their careful work. They have a very good track record of developing a spending plan, and they meet monthly with the treasurer, Ron Julseth, and financial secretary, Kathy Reynolds, to study trends, examine our expenditures, and make recommendations to Council

continue that commitment to ministry as a member of CLC.

Please help in making Lynn feel welcome to Christ Lutheran Church!

God provides answers to our prayers. Please pray for:
-- the family of June Johnson as

concerning financial issues.

On another note, this Sunday, the Renovation Task Force will present the full scope of work involved in the proposed renovation project. There will be a presentation following each worship service. No vote on the project will take place that day. A motion will be published, but no action on it will happen on Sunday. The motion will be made at the annual congregational meeting two weeks later, on the December 16. This will allow the congregation time to discuss the proposal and ask questions of the Task Force. It is vitally important that everyone attend one of the presentations, and then the meeting in two weeks to vote.

Other than that, the joint is hopping! Lots of ministry happening, with people in and out all day long. Lots of planning going on. There's a good feeling in the air! The Spirit is strong!

This Sunday is the beginning of a new church year with the First Sunday of Advent. This is the season of anticipation and hope, which is why the color of the paraments is blue-the color of hope. I look forward to seeing you on Sunday to mark the new year of worship, service, and fellowship!

In Christ's Service,
Pastor Emil

CLC Council Corner

This provides a brief summary from our council meeting held on November 13, 2018

Staff and Ministry Reports were reviewed and approved.

- A motion was made and passed to include CLC in a new church advertising program in the Hilton Head Monthly publication. We felt that the reach and demographics of the publication would allow us to broaden our marketing efforts and is included in the 2019 ministry spending plan.
- The Nominating Committee reviewed their recommendations for upcoming open seats on the council. Those being nominated are detailed below.
- Council reviewed a motion submitted by the Renovation Ministry Team to be submitted to the Congregation for a vote at our December 16th congregational meeting. After much discussion the motion was tabled and will be finalized at a special council meeting scheduled for November 28.
- Pastor Klatt recommended a new member who was approved by council.
- The Personnel Ministry team submitted a newly written Personnel Policy & Procedures Manual for council review. Council will be asked to discuss and vote on this proposal at our December 18 meeting.

Our final council meeting for 2018 will be held on December 18th at 6:30 pm.
 Respectfully submitted,
 Joe Etter, Council President

They have two boys, Peyton and Johnathan. By serving on the Council, Mike is interested in learning more about the goals and objectives of the Church and how he can assist in building resources needed to be

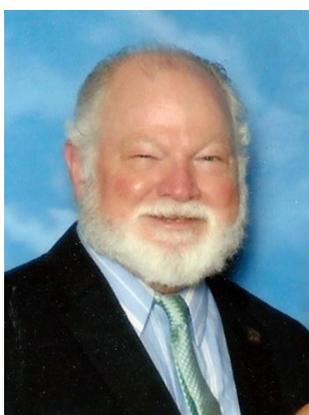

successful.

Tami Kuhlmann was born and raised in Westerville, Ohio and has lived in central Ohio for her entire life (until now). She simultaneously received her Master of Science and Doctor of Optometry degrees from The Ohio State University.
