## Pastor Emil

### Pastor's thoughts....

We have now entered a new year, and with it come new challenges and opportunities for growth, as we continue our faith journey together.

The assigned Gospel text for this Sunday, Epiphany of Our Lord Sunday, and the beginning of the season of Epiphany, is the story of

the Magi-the Wise Men-who traveled to Bethlehem, following a star. As familiar as this is to us, think about how outrageous a story it actually is: A group of Gentiles of some political stature, who had traveled probably for months, guided by a star, as the story goes, to find a Jewish baby in some podunk village. (Here's a little test of your Bible knowledge: how many magi were there? When you find the answer, come see me and tell me where you found the answer.)

So, what do you think it would take to make these guys come all that way? Well, I like to think that they looked farther than they could see. Consider that for a moment:

and Ashley (12). Steve spent his career primarily in local government finance, retiring from the position of North Mankato's finance director in 2011. Kathy retired in 2009 after spending 30 years working for the federal government in customer service, auditing, employee training and course development, and recruiting. Both have been actively involved in their church in Mankato and other non-profit organizations. Steve works with the CityArt Walking Sculpture Tour in Mankato and Kathy is treasurer/accountant for their local humane society.

"We started coming to Hilton Head in 2012 and have returned every year since, each time extending our visit by a week or two. When asked "Why Hilton Head?", one of our first answers is "Christ Lutheran." When you are retired and stay in one place for several months, you are no longer on vacation. We choose to look at Hilton Head as "home" for the winter. And home has always included a church family. The more involved we get at CLC, the more at home we feel. This is where God sent us."

Although they have no immediate plans to relocate to Hilton Head permanently, the time was right for making a commitment to Christ and Christ Lutheran by becoming associate members.

*They looked farther than they could see.* They obviously knew the writings of the prophets, because they quote from them concerning the coming of the Messiah. But what faith they must have had to trust enough in bits and pieces of information to make such a long and probably perilous journey!

So, what can we learn from this story? To look farther than we can see!

I would propose that this be our mantra for the coming year: Let us look farther than we can see. Let's step out in faith, as we begin this New Year. May our ministry and our projects push our envelope a bit, as we carry out our mission in this community. And may God bless our movement! See you Sunday!

In Christ's Service,  
*Pastor Emil*

Dr. Alice Howland (Julianne Moore) is a renowned linguistics professor at Columbia Univ. When words begin to escape her and she starts becoming lost on her daily jogs, Alice must come face-to-face with a devastating diagnosis: early-onset Alzheimer's disease. As the once-vibrant woman struggles to hang on to her sense of self for as long as possible, Alice's three grown children must watch helplessly as their mother disappears more and

more with each passing day.

## **CONNECTED: A Contemporary Faith Encounter**

Pastor Craig Groeschel says:

*"Most everyone seems to agree that life is getting busier, crazier, and more frantic with each passing day. We're bombarded by more information than we know how to process - news, ads, commercials, blogs, tweets, pictures, sound bites, music, games, more ads. What's crazy is that we now have more devices, programs, and apps than ever before vying to fulfill our needs. Best of all, our world abounds with countless technological breakthroughs - each one promising to make our lives better. Without a doubt, technology is changing the way you relate to people. While it comes with many benefits, it also has drawbacks."*

**Let's talk! Join us @ CONNECTED on Wednesdays evenings  
Our Winter 2019 calendar: Jan. 9, 16, 23, 30 and Feb. 6 & 13**

**HAPPY BIRTHDAY, CONNECTED!**

### Wednesday, Jan. 9: RESURRECTING COMPASSION

*"Compassion is the Key to Unlocking the Value of Empathy"*

Did you know that a University of Michigan study shows that we care 40% less than people did in the 1980s? How does technology cause us to care less?

1. We're more obsessed with OURSELVES.
2. Overwhelming exposure to suffering DESENSITIZES us.
3. Lack of PERSONAL interaction makes it easier not to care.

Pastor Craig Groeschel is back with a new series called **#struggles**. He will teach us that true compassion demands ACTION. To say you care but not ACT is to not CARE at all.

- 1) Compassion INTERRUPTS.
- 2) Compassion COSTS.
- 3) Compassion changes LIVES.

**Come and dig deeper with us as we discover the influence of social media on our lives, as well as the lives of our kids and grandkids!**

Join us on **Wednesday, January 9 at 6:00 p.m.** for a light supper (pizza & salad) as we discuss

## CLC PRESCHOOL

**Special Note:**

**We would appreciate any help in filling our Helping Hand Box ( located on the ministry table in the narthex.)**

**A little help goes a long way for the preschool.**

**Thank you!**

## CLC Ministry Opportunities

**"My Name Is \_\_\_\_\_ and my Ministry is \_\_\_\_\_"**

**Social Ministry Team meeting -- January 8 at Noon in Heinrichs Hall. We will discuss and plan for the Family Promise guests that Christ Lutheran will host February 3-17. We welcome everyone, and encourage all who are interested in our new outreach program to attend. Questions? Please be in touch with Leslie Heavener.**

Dear Friends,  
On behalf of our Board of Directors, staff and most importantly the homeless children and parents we serve, many thanks for your support. Your donation of \$500.00 allows Family Promise to continue assisting these families by not only providing safe shelter, but assistance in equipping them with the skills and resources needed for lasting independence.

Our shelter is currently at capacity with families who, without support from friends like you, would have no place to sleep at night and no one to help them get their lives back on track. These families now have a chance to make a fresh start and become productive members of our community. The children are thriving in daycare, school and in afterschool programs while their parents have secured employment and are engaged in financial literacy, parenting and other life skills programs. They will receive ongoing support once they graduate from our Shelter Program.

The issue of homelessness is not going away in Beaufort County and unfortunately the number of homeless children and families has continued to increase. Thank you for joining our efforts in assisting those who are homeless and have limited choices. We value all of you and your tremendous support!

Gratefully,  
Lynda Halpern, Executive Director  
Family Promise of Beaufort County
