

The Bridge

April 14, 2020

All Worship Services, including Lenten Services and CONNECTED, are cancelled at Christ Lutheran. The Campus buildings are closed for use by local organizations except the American Red Cross. We will let you know when things are up and running again!

DON'T FORGET!!

The Service Ministry Team will hold a drive-by food collection to benefit Deep Well and Christ Lutheran Church's Little Free Pantry at the church on Tuesday, April 14, from 9:00am to 11:00am

Christ Wilcox and her husband, John Eddy, will have their big red truck parked in the church parking lot. They will wear their masks and gloves. Drive by and give them your bags of donated items, marked for either Deep Well or Little Food Pantry.

Keeping in Touch with DialMyCalls

During this time of "sheltering in place" and limited contact with each other, Pastor Mary is using DialMyCalls to keep in touch with us directly. It's so nice to hear Pastor Mary's cheerful voice as she greets us with a message. If you receive a phone call from area code 803, it's probably Pastor Mary reaching out to you!

Dear Friends at Christ Lutheran Church,

On behalf of the staff, volunteers, and Board of Directors of The Hilton Head Island Deep Well Project, please accept our joyful thanks for your late-March, 2020 gift of food intended for the Backpack Buddies Hilton Head program. We deployed your food gift to stock the shelves of the Deep Well Project Food Pantry, to then flow to families who needed food help. We are so thankful and excited to continue the long legacy of BPB's Hilton Head in feeding children who need a food boost.

Your gift is being used immediately to help families in our town to help them stabilize and be safe in these stressful days of COVID-19. The amazing volunteers of Deep Well are coming in daily to help get services to the most vulnerable people in our community. With your wonderful gift, you are keeping us up and running – together we are doing so much good!

Thanks to your trust in Deep Well, we hope to be able to keep up with the basic needs of our community during this crisis. And thanks to generous gifts like yours, many neighbors can now find stability and a higher quality of life - and that benefits our entire community. Thank you for caring - thank you for your generosity!

Stay safe and healthy,
