Reconciling In Christ

I'm glad to inform you that at the Council Meeting on May 18th, our council voted for Christ Lutheran Church to become a Reconciling In Christ congregation.

Here is the motion:

I move that Christ Lutheran Church of Hilton Head be recognized as a Reconciling in Christ Partner congregation. By doing so, Christ Lutheran Church commits to welcoming, including, and celebrating people of all sexual orientations, gender identities, and gender expressions, and is committed to work for racial equity/anti-racism.

Council member, Julie Raino made the motion and it was approved unanimously by the council (one council member, Eric Momberger, was not present)

The next steps will be to work on our welcome statement (which was begun during our Wednesday Night information series). That will be approved by the council, then we will inform Reconciling Works, share our completed welcome statement with them, and at that time we will be listed as an RIC congregation.

I thank the congregation for your enthusiasm, understanding, and willingness to engage, discuss, ask questions, and be moved over the last year or so that we've been discussing the topics of sexuality, justice, and becoming an RIC congregation.

Going through this door as a congregation is just one more step in becoming a welcoming, inclusive congregation. I look forward to taking more steps with you in the future!
